

AIR TRAVEL PASSENGER GUIDANCE

1. Before you travel:

- Do not travel if you have coronavirus symptoms or are self-isolating
- Check FCO travel advice
- Check your airline's requirements
- Check in online if you can
- Plan your journey to the airport (check public transport advice as necessary)

2. At the airport:

- Be patient and follow instructions from staff
- Stay 2 metres away from others wherever possible
- Wash or sanitise your hands regularly
- Wear a face covering – without one you may be refused entry into the airport
- If you require assistance you should request this as you normally would

3. On board your flight:

- Follow instructions from crew at all times
- Remain seated as much as possible
- Wear a face covering – they are required on flights in England, and many airlines require them for all other flights
- Be considerate of others – they may be exempt from wearing a face covering
- Be alert for announcements about the requirements at your destination

4. On arrival in the UK:

- Make sure you fill out the Public Health Passenger Locator Form online before you arrive
- Follow crew instructions for disembarking the aircraft
- Wash or sanitise your hands as soon as possible
- Stay 2 metres away from others wherever possible
- Go directly to the place where you will self-isolate – avoid public transport if possible
